RECIPES FOR FUN!

Dirt Cups!

INGREDIENTS

2 cups of cold milk

1 package (4 serving size) instant pudding (chocolate flavor)

3-1/2 cups (8 ounce container) whipped topping, thawed

1 package (16 ounces) chocolate sandwich cookies (crush them into tiny pieces in a plastic bag)

Gummy worms or insects

Equipment:

Measuring cup

Medium mixing bowl

Wire whisk

Rubber scraper or large spoon

Measuring spoons

8-10 paper or plastic cups (8 ounce size)

COOKING INSTRUCTIONS

Pour the milk into the mixing bowl and add the pudding mix. Beat with the wire whisk until well blended (about two minutes). Let pudding stand for five minutes. Stir whipped topping and 1/2 of the crushed cookies into the pudding (very gently) with rubber scraper until mixture is all the same color. Place about 1 tablespoon of the remaining crushed cookies into the bottom of each cup.

Fill cups about 3/4 full with pudding mixture. Top each cup with the rest of the crushed cookies. Add gummy worms and insects to decorate. Put cups into the refrigerator for about one hour to chill them-- and enjoy!

Mud Puddles!

INGREDIENTS

2 cups sugar

2 tablespoons Hershey's cocoa

1/2 cup milk

1/2 cup butter

1/2 cup peanut butter

2 cups oatmeal

1 teaspoon vanilla flavoring

COOKING INSTRUCTIONS

Mix the sugar and the cocoa together in a bowl.

Stir in the milk. Have a grownup put the mixture in a pot, add the butter, and put it on the stove to cook. It needs to come to a full boil and cook that way for two minutes. The grownup should keep stirring the mixture the whole time it cooks so that it won't burn.

The grownup needs to take the mixture off of the stove and mix the rest of the ingredients with the cooked part of the recipe.

Then the mixture needs to be dipped, by spoonfuls, on to the waxed paper and allowed to cool.
